## **FIRST NATIONAL REAL ESTATE CONTINUES PERTH WILDCATS SPONSORSHIP**

First National Real Estate has proudly announced its fifth year of sponsorship of national basketball league team, the Perth Wildcats.

'Once again, we welcome the opportunity to support a high profile champion team given the far reaching positive effects it has within the community' said First National Real Estate chief executive Ray Ellis.

'As we're committed to supporting communities in which our members both live and work, this sponsorship not only enables members to freely distribute much sought after match day tickets but affords junior community members the opportunity to meet their Wildcat heroes. Added to this, the match day tickets also grant junior members a chance to witness pre-game coach briefings'.

In recent years, the Perth Wildcats have won multiple championships under the stewardship of coach Trevor Gleeson. After three consecutive wins at the start of this year's season, the Perth Wildcats are on target for another spectacular run.

'As a result of this sponsorship we've received such fantastic feedback from members of the sporting community as well as their parents' said Mr Ellis.

'The opportunity to experience the excitement of a basketball game plus meeting the players creates indelible memories for Perth Wildcats fans so be sure to get in contact with our member offices to check ticket availability'.
